W.P.(C) No.23251 of 2007

.....

Dated this the 5th day of September, 2007.

JUDGMENT

The prayer in the W.P. is only for direction to the KSEB to grant additional power allocation to the petitioner which is a high tension consumer. Standing Counsel for KSEB submitted that petitioner is in arrears of penal charges levied while it was a low tension consumer for unauthorised load. This matter stands remanded by a separate judgment in petitioner's own case. As and when that issue is settled and payment if any cleared, additional power allocation will be granted based on norms.

W.P. is disposed of as above.
